ABOUT MOCHA LIGHTING

HERO

High-Performance Task Lighting for Technical Spaces

HALO

Advanced Task Lighting for Workspaces & Study Area

HEXO

Versatile Under-Shelf Lighting for Workstations and Labs

LUNGO

Sleek LED Undershef & Study Desk Lighting

kLara

Specialized Lighting for Fume Hoods and Controlled Environments

kLara2

Specialized Lighting for Fume Hoods & Inspection Zones

LAVA

High-Visibility Red LED for Safety Signaling

JANIS

Flexible Power & USB Task Lighting System

SONIC

High-Density IEC Power Strip for Technical Environments

marQ

Modular Utility Raceway for Lab & Technical Workstations

Subsidiaries

ABOUT MOCHA LIGHTING

Lighting the Future,
Together.

About Us

Established in 2011, Mocha Lighting emerged from the vision of a team of engineers determined to redefine the lighting industry. What began as an ambitious endeavor has evolved into a powerhouse of innovative solutions, dedicated to addressing the diverse needs of industries. Our journey has been marked by continuous development, skill enhancement, and a commitment to delivering excellence.

Vision

At Mocha Lighting, our vision extends beyond mere illumination we are dedicated to transforming spaces and experiences. Committed to a brighter future, we strive to enhance the lives of individuals, contribute to thriving communities, and set new standards in lighting innovation.

kLara2

mocha
LIGHTING

Purpose

Line-voltage LED task light for labs, manufacturing, and inspection workspaces.

Key Features

- Anodized aluminum housing
- CRI >90, 4000K or 5000K light
- Optional Far Red 720nm, UV-C 270nm
- Mount: Magnetic or screw
- Options: Power switch, occupancy sensor
- RoHS compliant

IDEAL FOR

Lab Benches

QC stations

Metalworking
Environments

kLara2 SPECIFICATIONS

Lengths	#6063-T5 anodized aluminum
----------------	----------------------------

Wattage	1 ¾" x 2 ¾" to 2 ½" x 7 ½"

Sonic

mocha
LIGHTING

Purpose

High-performance IEC power strip for labs, data centers, and healthcare environments..

Key Features

- 5 IEC 60320-C13 female outlets + 1 C14 male inlet
- 250V, 60Hz, 12 Amps
- Circuit breaker for overload protection
- UL 60950 certified
- Custom versions up to 24 outlets, Twist Lock available

Sonic SPECIFICATIONS

Size 10" x 2" x 1.75"

Corded models 6ft or 15ft

Voltage 250V, Amperage: 12A
